Let this session be the start of a whole new season!

MILLER

FEATURED NBA GUEST

JONATHAN ISAAC

OF THE ORLANDO MAGIC

Our 2024 Overnight Extreme NBA guest is Jonathan Isaac of the Orlando Magic. Isaac was the sixth overall pick in the 2017 NBA draft, and is known for his defensive prowess.

When Isaac was coming out of Florida State, he drew many comparisons to Kawhi Leonard as a result of his length and versatility on defense. Injuries set him back for a few years, but now Isaac is back on the floor and is making his impact felt. This season, Isaac has been reminding everyone why he is, without question, one of the world's greatest basketball defenders.

"Jonathan Isaac is an elite, elite, elite, elite defender,"

Magic head coach Jamahl Mosley said following his team's thrilling victory over the Minnesota Timberwolves.

"I told him, you're the best defender I've ever seen in my life," Magic PG Cole Anthony said. "It's incredible... because it's one through five, he moves his feet, guards the post, anticipates, he's got a quick twitch. Just the most versatile defender I've ever seen in my life."

While his career stats and impact are impressive, his undeniable heart for God sets him apart. He is a minister at J.U.M.P. Ministries Global Church under Lead Pastor Dr. Durone Hepburn. Jonathan speaks nationally on topics of God's love and faithfulness and Christian unity. Isaac is involved with charity work and continually gives to worthy causes like Project Life Inc., a non-profit organization that helps to celebrate and protect culture and community globally. Jonathan can also be seen weekly on his show Judah Nation on JGNtv.org and on the JGNtv app. He is also an author — his new book, "Why I Stand," released in May 2022 — and the founder of UNITUS, a clothing and apparel brand launched in July 2023.
