MEN'S MISSIONS

A Rare Experience. A Rare Opportunity. A Rare Fellowship of Men.

This isn't just another men's event. It's a four-day missions experience where participants will have the unique opportunity to build homes for the impoverished and deliver staple goods to the homeless. Through the context of serving, you'll learn what it means to be not only a man of God, but a spiritual leader to your family and community. You won't be preached at, judged or put on the spot. Just days filled with work, laughter, challenge and growth. It's men coming together to serve God and ultimately experience God in a richer way. Together, we escape the rat race of life to build a home and our faith.

BE CHALLENGED

Whoever is kind to the poor lends to the LORD, and he will reward them for what they have done. Proverbs 19:17

Are you up for the challenge? In just three days, you'll be asked to work as a team to construct a forever home for a family in need. Framing, painting, shingling and more will leave you tired, but yet powerfully fulfilled. In the end, nothing and I mean nothing, will be more powerful than celebrating with your team, surrounding your home in prayer, and handing the keys to the family whose life was changed forever.

BE ENCOURAGED

"Therefore encourage one another and build one another up, just as you are doing." 1 Thessalonians 5:11

Let's face it, God designed men to build, create and achieve great things. But it doesn't stop there. God also created us to grow, mature and not sit idle spiritually. This is why the Men's Missions trip is so powerful. Through the experience of building a home, we will also be building our faith. No being preached at or judged. Just days filled with work, laughter and a common pursuit of strengthening our faith. With our accommodations on the Pacific Ocean, you'll find there's nothing better than heading down to the beach to de-brief another amazing day.

BE RENEWED

"Those who wait on the Lord shall renew their strength." Isaiah 40:31

Wouldn't it be great to unplug just for a bit? To get away and have some fun while still meeting a practical need for a family in desperate need of safe housing? Few things in life are more important than finding space in the hectic pace of life to reboot, refresh and renew. As men, we struggle with the idea of taking that time. We feel as though we're cheating those we love by taking time for ourselves. Ironically, it's in these brief times of renewal where you'll return better than ever. You'll find yourself more focused in your work, but far more importantly, more present and engaged with the people you love.
